HARRISBURG, Pa., Sept. 18, 2018 /[PRNewswire](#)/ -- Capital BlueCross is proud to announce it has been named as one of the Best Places to Work in Pennsylvania for 2018. It is among 100 companies across the commonwealth chosen for the honor.

The awards program is one of the first statewide programs of its kind in the country. It is a public/private partnership between Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania State Council of the Society for Human Resource Management, and the *Central Penn Business Journal*.

This honor comes during the year that Capital BlueCross is celebrating its 80th year as a community-based health insurer dedicated to making a difference in the health and well-being of its customers, employees, communities in Central Pennsylvania and the Lehigh Valley.

"We are extremely honored to be recognized as a Best Place to Work in Pennsylvania, said Gary D. St. Hilaire, President and CEO, Capital BlueCross. "With dedicated and passionate employees who care so much about serving our customers with excellence, it is most gratifying that this honor is the result of their direct feedback on their work experience here at Capital BlueCross. Their commitment to our company and our mission creates a work environment that encourages all of us to deliver the very best to our colleagues, our customers and the communities we serve."

The awards program identifies, recognizes, and honors the best places of employment in Pennsylvania—ones that benefit the state's economy and their workforces. Employers are categorized based on the number of employees they have in the United States. Capital BlueCross is named in the *more than 250 employees* category.

Recognizing that an engaged workforce drives excellent customer service, Capital BlueCross has a strong commitment to its employees. Emphasis is placed on driving innovation and organizational performance excellence in a positive, respectful, and caring culture, one that values employee experiences, opinions, suggestions for improvement, training and development, and individual and team successes.

Capital BlueCross offers excellent pay, bonus opportunities, benefits, health and wellness incentives, opportunities for career advancement and community involvement, as well as work-life balance. This positive culture better enables the company's efforts to make a difference and improve the health and well-being of its members and the communities in which they live.
