

Capital BlueCross and Coordinated Health Collaborate to Deliver High-Quality, Affordable and Accessible Medicare Healthcare

Collaboration will boost Medicare options for consumers in the region

Two of the most recognized healthcare brands in Northeastern and Central Pennsylvania, Capital BlueCross and Coordinated Health, have come together to improve healthcare options for Medicare beneficiaries. This relationship aligns their missions to provide a high-quality, accessible, and more affordable healthcare experience.

“Living in the communities in which we serve, we understand the need to deliver accessible and affordable community-based care for Medicare beneficiaries,” said Debbie Rittenour senior vice president of government programs at Capital BlueCross.

Capital BlueCross family of companies offer Medicare plan options for 2019 featuring low out-of-pocket costs and expanded benefits. The locally-based health insurer’s [BlueJourney HMO and BlueJourney PPO plans](#) are available to Medicare-eligible individuals within its 21-county Pennsylvania service area.

[Coordinated Health](#) is an integrated healthcare network with locations throughout eastern Pennsylvania and western New Jersey. The company employs more than 1,400 highly skilled personnel across 18 multi-specialty medical campuses, including two hospitals, two ambulatory surgical centers, six walk-in care centers and an inpatient rapid recovery suite.

By working together, Capital BlueCross and Coordinated Health can better address the need to provide an end-to-end solution for affordable healthcare, while improving access, quality, and affordability for Medicare beneficiaries.

“Expanding access to high-quality healthcare is one of our highest priorities,” said Amy Nyberg, President and Chief Operating Officer of Coordinated Health. “Our collaboration with Capital BlueCross enables more patients to access our high quality care at a low cost, giving them greater choices for specialty care, close to home.”

“Caring for our community is at the forefront of what we do.” Rittenour said. “We are focused on the individual, and eliminating the confusion in the open enrollment process. Our [informational seminars](#) help people choose the best option for them and we encourage anyone who is eligible for Medicare to reach out to us for assistance.”

Capital BlueCross family of companies offer three BlueJourney HMO plan options and two BlueJourney PPO plan options. Features common to many of the plans include:
