

Capital BlueCross, Lehigh Valley Business Coalition on Healthcare Extend Preferred Partnership through 2024

The Lehigh Valley Business Coalition on Healthcare (LVBCH) and Capital BlueCross have extended their preferred partnership through 2024, ensuring Coalition members can continue to benefit from high-quality, cost-efficient group health insurance.

LVBCH grants preferred partner status to health insurers that demonstrate better plan performance, pricing or enhanced service capabilities, giving employers who belong to the Coalition more flexibility to select healthcare coverage that best meets the needs of their businesses and employees.

“Since our relationship began in 2013, Capital BlueCross has been a valued partner of the Coalition,” said LVBCH President Carl Seitz. “With this extension, Capital BlueCross will continue to bring outstanding value to Coalition members, a point that’s more important than ever as employers and their employees are facing unprecedented economic pressure. We appreciate how Capital BlueCross directly contributes to the LVBCH’s mission to improve the delivery, cost, and quality of healthcare in our communities.”

As a health insurer with offices and a significant presence in the Lehigh Valley, Capital BlueCross has built a respected reputation in the region for delivering improved healthcare quality and outcomes, while addressing overall costs for its employer group customers and their employees.

“We’re excited to enter this next chapter together and look forward to supporting the Coalition’s mission and continued development,” said Todd A. Shamash, Capital BlueCross’ president and CEO. “Our preferred partnership with the LVBCH provides benefit for employers as well as the Lehigh Valley as a whole -- providing innovative solutions that allow the region’s employers to better manage their total cost of care.”

As part of the extended partnership, LVBCH and Capital BlueCross will continue to collaborate to develop programs and services to benefit LVBCH members.
